Guided by the enduring Jewish value of **hakarat hatov**, the Jewish Federations of North America convey their profound gratitude and appreciation to

Maryland Legislators

More than 2,700 people from across the country signed this letter to thank you for supporting state security grants funding for faith and nonprofit institutions. At a time of rising antisemitism and unprecedented security threats facing Jewish communities, your bipartisan leadership sends a powerful message that protecting Jewish Americans is a national priority. We are grateful for your commitment to ensuring that every Jewish family can live, learn, worship, and gather in safety.

Thank you for standing against antisemitism.

Gary Torgow Chair of the Board of Trustees
Eric Fingerhut President & CEO
Jewish Federations of North America

**2,789 sent this letter of thanks to
Maryland Legislators**

Dear Maryland Legislators,

I am deeply grateful for your support of state security grants for houses of worship and nonprofit organizations at risk of hate crimes.

At a time when antisemitism is reaching historic highs and Jewish communities continue to face the threat of antisemitic domestic terrorism, this investment sends a powerful message that the safety and security of vulnerable communities matters. Programs like this help ensure that synagogues, faith institutions, and nonprofits have the resources they need to better protect the people they serve.

As a member of the Jewish community, I know how important these investments can be. Every person should be able to gather, worship, learn, and build community without fear. Your leadership demonstrates a commitment not only to public safety but also to protecting communities that have increasingly become targets of hate and violence.

Jewish tradition teaches Hakarat Hatov, the importance of recognizing and expressing gratitude. I wanted to thank you personally for taking this important step and for helping ensure that faith communities and nonprofits remain safe and welcoming places for all.
