

Who you are: Andrea Gardner

How long have you supported JFS Ottawa?

I have been on staff at JFS for 25 years, beginning as a student intern. I have not only watched, but been a part of the growth of the agency that, remaining committed to its core value of Tikkun Olum, continues to offer the same dedicated and essential support as it did when I started.

What do you want the rest of the community to know about JFS?

Jewish Family Services ensures that no person is left behind. When asked why we do what we do, it is with pride that I speak of JFS as an agency that collaborates with others to address systemic gaps and inequities in services and supports.

Why did you decide to make a Life & Legacy commitment to JFS?

I am keenly aware that as a charitable organization we cannot do what we do without generous support. Having invested my passion and career for helping others with my time, leaving a legacy commitment will continue to demonstrate my lifelong investment in the work that JFS does.
