PUBLIC RECORD HIGHLIGHTS

Bubble bylaw vote (2026): [Voted in favour of the April 22, 2026 Council motion](#)

approving the Safe Access to Social Infrastructure By-law.

- 1) *What role can the City play to push back against antisemitism and the violent forms of antizionism so Jewish residents can live safely and openly in Ottawa?*

Senior management and elected officials need to publicly denounce antisemitism, violence in any form and all hate speech. The City must continue to partner with Jewish leaders to identify and fight antisemitism and be receptive to ideas suggested by Jewish leaders.

- 2) *Ottawa has seen violent demonstrations where participants have expressed support for terrorist organizations and celebrated the October 7 attacks. What steps should the City take when events on public property cross the line into intimidation, hate, support for terrorism or threats to public safety?*

If criminal acts are being committed on City property, then the permit/authority needs to be pulled and future applications denied. Persons committing these offences must be held accountable

- 3) *Will you work with the Jewish Federation of Ottawa to better equip municipal agencies, programs and civic institutions to recognize, prevent and respond effectively to antisemitism? Please share how you will accomplish this.*

Yes. I welcome suggestions from the JFO.

- 4) *Will you oppose efforts to bring international political campaigns, including BDS measures targeting Israel, into city politics?*

No. It is fair for speakers to oppose Israel or Israeli government decisions/actions. I will oppose any and all forms of efforts to gather people for campaigns that contain hate speech or violence.
