

Who you are: David Dern

How long have you supported JFS Ottawa?

I've been part of the JFS family for 4 years.

Why did you start supporting JFS?

I never knew the role that JFS played in our community until I walked through the doors on my first day of work. Since that first day I've been amazed at the needs in the community, mostly hidden from plain sight, that the tireless JFS team looks after with compassion.

What do you want the rest of the community to know about JFS?

There will always be a need for agencies like JFS; there to help neighbours when they need it.

Why did you decide to make a Life & Legacy commitment to JFS?

My modest gift will give back to an incredible organization for as long as it needs it.
