

EMBASSY OF  
**ISRAEL**  
IN CANADA

The Embassy of Israel is the official representative of the state of Israel in Canada. Its mission is to strengthen the enduring partnership between Israel and Canada, fostering collaboration in areas such as trade, legal and constitutional affairs, medical innovation and the arts, while also providing consular services to Israelis and others in Canada's national capital region.

Since Canada officially recognised the state of Israel on May 11, 1949, the relationship between the two nations has flourished. Over the past 75 years, this bond has been rooted in shared values, aspirations and dreams. A wide array of agreements and collaborations reflects the strength of this partnership and its capacity to turn common ideals into meaningful achievements.

The Embassy is deeply committed to Holocaust Remembrance and to combatting antisemitism in Canada. As part of this commitment, the Embassy is honoured to support ceremonies at The Canadian National Holocaust Monument, including those marking International Holocaust Remembrance Day and Yom HaShoah.

The Embassy of Israel also supports educational initiatives at the Monument, ensuring that the memory of the Holocaust is preserved and its lessons, including the fight against hatred and intolerance, remain relevant for future generations.

This year's commemoration of International Holocaust Remembrance Day and Yom HaShoah is of utmost importance. The expressions of current antisemitism, familiar or new, employ hatred against the Jewish people and the Jewish state. As the international community commemorates International Holocaust Remembrance Day and Yom HaShoah, we must all be aware that new forms of antisemitism are as venomous as those which caused the Holocaust.

Marking the 80th anniversary of the liberation of Auschwitz-Birkenau is an important milestone to commemorate together with our partners on how not only to remember but to prevent.

The Embassy of Israel is proud to partner with The National Holocaust Monument Committee to promote educational events at The National Holocaust Monument to ensure the memory of the 6 million who perished in the Holocaust is never forgotten.
