

Who you are.
Sierra Cwinn

How long have you supported JFS Ottawa?
At least 5 years.

Why did you start supporting JFS?

JFS helped make my transition from Montreal to Ottawa so much easier. Their walk in counselling is so amazing! Their ongoing sliding scale counselling is amazing! They continue to work with me, pairing me with counsellors who can truly help me get to my next steps on my journey.

What do you want the rest of the community to know about JFS?

JFS succeeds at being discreet, caring, kind and helpful. They are acutely aware of client privacy, making your privacy their priority. JFS also works WITH you as a client, to help you get the help you feel you need.

Why did you decide to make a Life & Legacy commitment to JFS: I wanted to give back to a community and organization I believe in and who have and continue to help me on my mental health journey.
