Survey response:

Q1: Will you ensure legitimate consultation with the mainstream Jewish community in all aspects of reacting to the antisemitism crisis?

A: Yes

Q2: How will you ensure the Board respects the voices of minority groups and protects all minorities, including Jewish students?

A: The goal of the Board of Trustees is to ensure the mental health and well-being of our students and to support academic success. I will continue to promote a safe environment that promotes the voices of all our students. The OCDSB Indigenous, Equity and Human Rights policy is an excellent starting point.

Q3: Would you be supportive of the school board adopting the IHRA definition of antisemitism?

A: I would like more information as to why this has not already been adopted.

Other

From the **Ottawa Against Antisemitism survey**: “Continued awareness and education of the harm antisemitism causes is a priority. Perhaps a review of the curriculum and how it addresses our history highlighting how we can learn and grow from our past mistakes.” Believes that ‘Palestinian Youth Movement Protests’ can be harmful to Jewish and Israeli students, and are not appropriate on school property.
