Q1. Increasingly, Jewish Ottawans are concerned about rising antisemitism. As a city councillor, will you advocate to ensure that antisemitism is included in all resources and training as an integral part of all municipal anti-racism programs?

Yes

Q2. How are you going to push back against antisemitism in all of its forms?

I will continue to work to bring communities together as it is only through meeting others who have different religions, ethnicities, backgrounds, can you learn from them and vice versa and start to appreciate their lived experiences. Everyone has the right to be safe. There is no place for hate, violence or intolerance in our society. We all have a part to play in condemning hate and keeping our communities safe. We need to continue to come together as a community to spread love and respect. It is through kindness and generosity that hate is eliminated.

Q3. As with all at-risk communities, there are various times in the year when the Jewish community is required to hire extra security to protect our houses of worship and organizations. Will you support the use of paid duty officers to provide that needed security?

no

Q4 . Are you in favour of continued funding for the Ottawa Police Services Hate Crimes unit?

yes

Q5. The governments of both Canada and Ontario, as well as some municipalities, have adopted the International Holocaust Remembrance Alliance's definition of antisemitism. Would you be supportive of Ottawa adopting this definition of antisemitism as well?

yes

Q6. Tamir is a non-profit organization dedicated to assisting developmentally disabled people and those with autism. Plans for upgrades and expanded services stalled due to COVID. Will you be an ally and advocate for Tamir to receive help in upgrading their facilities?

yes

Q7. Food insecurity for seniors is on the rise. How will you support the city's ethnocultural (kosher/halal) meals on wheels and food bank programs to help address food insecurity for those who are most vulnerable?

I would help find new investments for those ethnocultural food bank programs so they can be sustainable and effective for vulnerable seniors affected by food insecurity.
