

A Little Piece of Heaven

By Matthew Carlin

A Little Piece of Heaven is heart-warming story focusing on restless biker Mike, who forges an unlikely relationship while working in a quirky antiques and bric-a-brac shop called, "A Little Piece of Heaven," in a small town. He finds a friend in the elderly, no-nonsense Lily, although their relationship certainly doesn't start out that way. But there's something odd about this little shop owned by the equally odd Elizabeth and Henry. Suspicion and disagreement turn to respect and trust in this place where long lost things are finally found.
