

THE HAVURAH INITIATIVE

Create. Connect. Explore.

Looking for a deeper, more personal Jewish connection?

The Havurah Initiative helps you create intimate, peer-led groups—called **havurot**—built around a Jewish focus you choose. Whether your passion is spirituality, culture, learning, or something entirely unique, your havurah is shaped by you and your peers to be meaningful, authentic, and community-driven.

- **OPEN TO ALL** — welcoming every Jewish age, stage, and background.
- **BACKED BY SUPPORT** — funding and resources from the Jewish Federation of NENY.
- **LED BY YOU** — shaped by your passions and interests.
- **CONNECTED BY COMMUNITY** — each group has a Connector to bring people together around shared interests.

Example Havurot:

- Young Families
- LGBTQIA+
- Jews of Color
- Men's Group/Women's Group
- Hiking
- Tikkun Olam
- Text Study
- Cooking
- Music/Arts
- Jewish Role-Playing or other Games
- Jewish Renewal
