

Marking 3 Years Since October 7, 2023

Wednesday, October 7 7:00PM | Katz JCC

The evening will begin with a community ceremony honoring the victims of October 7, followed by a screening of "Just Tell Me You're Alive"

Unlike most films about October 7 that focus on the horrors of that day, "Just Tell Me You're Alive" tells the deeply personal stories of seven families whose lives were forever changed, and the extraordinary ways they chose to move forward. Together, their journeys reveal the Jewish response to tragedy: resilience over despair, rebuilding over surrender, and light over darkness.

As we remember those lost on October 7, we encourage you to honor one of the victims through a mitzvah. Whether through an act of kindness, charitable giving, volunteering, or helping someone in need, your action can bring light into the world in their memory.

Registration Required by October 1 | www.jcrcsnj.org/oct7

An agency of the  Jewish Federation of Southern New Jersey
