Greetings,

I am writing to you as a member/office bearer of the Foundation for India and Indian Diaspora Studies (FIIDS), a non-partisan, non-profit organization dedicated to promoting policy research, education, and policy dialogue on US, India and the Indian diaspora related issues and concerns.

On behalf of FIIDS, I would like to express our solidarity with the Jewish people and the people of Israel in your ongoing fight against Hamas terror. We condemn in the strongest possible terms the barbaric atrocities committed by Jihadi Islamic terrorists. Their senseless violence and hatred have no place in our world.

Our hearts go out to the families of the victims, and we pray for the safety of all those affected by this conflict.

FIIDS has issued a press release in support of Israel's war against terror from Hamas and the House resolution on the war. You can read it here: <http://www.fiids-usa.org/fiids-support-israels-war-against-terror-from-hamas-and-house-resolution-on-the-war/>.

We would like to offer our support in any way that we can. We are available to meet to discuss how we can work together to promote peace and understanding, or to participate in any solidarity or prayer events.

Please do not hesitate to contact me if there is anything that we can do.

Sincerely,

Chaiti Banerjee
