

## Condolence Statement on the Recent Attacks in Israel and Gaza

We are deeply saddened by the recent terror attacks by Hamas on innocent people. Each life lost and impacted leaves an irreversible void in the hearts of many.

Acts that deliberately target civilians or inadvertently result in their harm stand fundamentally against the sanctity of human life. We condemn them in the strongest terms.

Our heartfelt sympathies go out to both Israeli and Palestinian families who are grieving the loss of their loved ones.

Our prayers are with all those in Israel and Palestine, hoping for a time of lasting peace and understanding. May peace perseveres across the world.
