

COMBATTING ANTISEMITISM FUND PROGRAM**Application Deadline: Tuesday October 6, 2026 at 9AM**

The Jewish Federation of British Columbia's Combatting Antisemitism Fund Program supports initiatives that align with Federation's intention to build an inclusive society that recognizes and rejects antisemitism.

The Federation prioritizes initiatives that bring together Jewish organizations, grassroots groups, and allies to strengthen networks, share learning, and build a united, resilient response to antisemitism.

This is done by amplifying voices and efforts both within and beyond the Jewish community, and by supporting emerging and established organizations and groups.

This funding round is intended to support currently unfunded initiatives.

Whether within an allied or Jewish context, priority will be given to projects combatting antisemitism within one or more of the following contexts:

- Allyship (including cross-sectoral partnerships)
- Communications (including collaboration)
- Resilience (including mental health & wellbeing initiatives)
- Grassroots empowerment (including strengthening Jewish identity, pride, culture)
- Youth engagement
- Legal action initiatives (& policy change)

We know applications can take time and thought - if you'd like a hand with your application, or a sounding board - please reach out to Efrat Gal-Or, Director, Combatting Antisemitism at egalor@jewishbc.ca

Please note:

- Project must focus on combatting antisemitism
- Project must be accessible and inclusive (cost should not be a barrier)
- Funds may be used for, for example: programs, projects, materials, staffing
- Funds may not be used for: Office overhead, fundraising, or unrelated activities
- Priority will be given to new initiatives, though current grant recipients are welcome to apply.
