

NOW WE GO *FORWARD*

Jewish Federation®
OF GREATER PORTLAND

What a year it's been!

The Jewish Federation of Greater Portland continues to rise above and fulfill its mission to serve and strengthen our Jewish community. Our community came together to support Jewish organizations and individuals alike despite the ongoing pandemic and communal challenges. Thanks to your generosity, our financial resource development efforts thrived, enabling us to allocate more funds to those beneficiary agencies most impacted by Covid.

When the war in Ukraine began in late February and people's lives were at-risk, our community stepped forward and raised in excess of \$400,000 to bring them out of harm's way and to support those who could not leave. In addition, once the United States government opened its borders to Ukrainian refugees, our community raised additional dollars to support their ultimate arrival in Portland. During times of crisis, our community is always there.

Jewish Federation is also creating opportunities for the future. In partnership with the Cohen Center for Modern Jewish Studies at Brandeis University, we are launching the most comprehensive demographic study of our Jewish community in its history with the results expected in May 2023. This will provide a blueprint for how we plan communally and allocate funds into the future. In addition, the Centennial Trip to Israel, with hundreds of participants, has been rescheduled for March 2023 to coincide with Israel's 75th anniversary.

Every day, for the past 102 years, whether in times of opportunity or crisis, the Jewish Federation is here for you and our community.

Thank you for your unwavering support, partnership, and belief in the work we are doing on behalf of our Jewish community.

Looking forward to an exciting year ahead,

HIGHLIGHTS

The Jewish Federation of Greater Portland has commissioned the Cohen Center for Modern Jewish Studies at Brandeis University to do a **Jewish community study of**

Greater Portland from Southwest Washington down to Lane County. This will be the most scientific and comprehensive study of its kind in Jewish Portland. To help prepare for new initiatives based on the findings, the Jewish Federation has set aside an initial \$65,000 in follow-up funds.

Ukraine Relief

At the end of February, Russia invaded Ukraine. Immediately, the Jewish Federation of Greater Portland raised over \$400,000 to provide relief services for those remaining in Ukraine and those who crossed adjacent borders. With over 1,300 Ukrainian refugees expected to come to Portland, the Jewish Federation raised an additional \$150,000 to support them upon arrival.

YOUNG LEADERS

The **Wexner Heritage Leadership Program** launched with 20 participants from Portland. These young leaders are participating in a two-year immersive Jewish leadership learning curriculum, including a trip to Israel.

Grand Opening

The Jewish Federation of Greater Portland celebrated the opening of the new **Eastside Jewish Commons**. The Jewish Federation provided a three-year grant of \$150,000 to support its operations.

Dignity Grows™, a program of Women's Philanthropy, provides monthly personal and menstrual hygiene products to women, girls and individuals who menstruate, who cannot afford them. 1 in 4 menstruators in the United States lack the financial resources to purchase basic menstrual hygiene necessities, also known as period poverty. To date, Dignity Grows has distributed free of charge over 1,500 totes to our community partners, including Outside In and Virginia Garcia Memorial Health Center.

Women's Giving Circle

The Women's Giving Circle, sponsored by Women's Philanthropy at the Jewish Federation of Greater Portland, funds programs and initiatives with a focus on women and girls, justice, and Jewish continuity. This past year, they granted \$26,200 to nine local organizations, focusing on projects that include cultural events lifting up women's voices, statewide college women's retreat, programs for mothers, and other important initiatives for the Jewish community.

MAZEL TOV!

to Missy Fry, a behavioral health social worker at Jewish Family and Child Service, for being awarded the **Laurie Rogoway Outstanding Jewish Professional Award**.

Elaine Savinar was the Jewish Federation's recipient of the national **Lion of Judah Kipnis-Wilson Friedland Award**.

Interfaith Collaboration

United in Spirit, an interfaith coalition of Jews, Christians, and Muslims established by our Jewish Community Relations Council, convened two summits on the chronic houselessness problem in Portland. The coalition works with and pushes for greater collaboration among city, county, and Metro elected officials, non-profit agencies, and business groups to begin effectively addressing this humanitarian crisis.

Welcome!

The Jewish community welcomed **Jessica Anderson as our new Director of Community Security**. Gene Moss, the former director, was promoted and now oversees programs in multiple states. Ms. Anderson continues to work with Jewish organizations across the area providing security trainings and assistance with non-profit security grant opportunities.

Civil Rights Trip

41 people — half from our local Jewish community and half from the local African-American community, participated in an educational and inspiring **Civil Rights Trip** to Atlanta, Montgomery, Selma, and Birmingham. The trip was a partnership between the Jewish Federation's Jewish Community Relations Council (JCRC) and Vancouver Avenue First Baptist Church.

Among the highlights were a visit to Brian Stevenson's Equal Justice Initiative's Legacy Memorial and Museum in Montgomery. The memorial is dedicated to the memory of the more than 4,400 African-Americans who were the victims of racial terrorism. The group also met with Joanne Bland, who survived "Bloody Sunday" on the Edmund Pettus Bridge in Selma in March 1965. She was only 11 years old at the time. The trip wrapped up in Birmingham, hearing from Bishop Calvin Wallace Woods, now 88, a distinguished leader of the civil rights movement in the 1950s and 1960s who worked alongside Dr. Martin Luther King, Jr.

Overseas Special Projects

Ofanim provides extracurricular enrichment in science, technology, engineering, and math (STEM) to children

living in peripheral communities in northern and southern Israel—Jewish and Arab, religious and secular, native-born and new immigrants.

Neve Michael is a safe haven for over 280 needy children at-risk (ages 5 to 18 from all over Israel) whose biological parents can no longer care for them.

Beit Yossi provides a therapeutic home and intervention for severely underprivileged Ethiopian Jewish families in Ashdod.

Foundation for the Welfare of Holocaust Victims

— There are 168,500 survivors living in Israel today — 25% of whom are living in poverty. Among the Foundation's programs are home visits, medical emergency support, dental care, and the provision of eyeglasses.

Krembo Wings is Israel's only all-inclusive youth movement for children with special needs, enabling children with severe psychological, motor, and cognitive disabilities to enjoy the benefit of a structured social environment with their able-bodied peers.

OUR MISSION is to assure the building and strengthening of the Jewish community locally, nationally, overseas, and in Israel, in accordance with Jewish values.

**WE ARE HERE FOR YOU.
THEN. NOW. ALWAYS.**

The Jewish Federation is excited to officially open registration for our rescheduled Centennial Trip to Israel! It's a special year for Israel...its 75th anniversary...and we'll be there to celebrate!

We have developed a fantastic itinerary that will include experiences planned for 2020 and some new/different ones, as well.

The opportunity for participating in a group b'nai mitzvah is available. See the 2023 Trip website for the draft itinerary and registration.
