Step-Up Lion Program

Join the Pride!

Step-Up to become a Lion of Judah and join more than 300 Lions in Indianapolis and more than 18,000 worldwide. You will join an international sisterhood of philanthropic women and global activists who care deeply about our Jewish future.

Step-up Lion Program

The Jewish Federation of Greater Indianapolis is excited to launch an innovative program, Step-Up Lion, for women who aspire to be a Lion of Judah. To start your journey, make a commitment to increase your gift to JFGI's Annual Campaign for the next two or three years (depending on your current donor level), starting with a minimum gift of \$1,800 for the first year and at least \$5,000 for the final year.

As a Step-Up Lion, you will immediately receive all the benefits of being a Lion of Judah, which includes proudly wearing the Lion of Judah pin. You will also be invited to all local and national Lion of Judah events listed below.

Lions are eligible to participate in the following exclusive programs, including:

- Annual Indianapolis Lion of Judah Event
- Jewish Federations of North America (JFNA) Lion of Judah special programming
- International Lion of Judah Conference (ILOJC)
- Local and International Missions
