

## CUTLER FAMILY ENDOWMENT - LEE & RISSA CUTLER

**G**rowing up, a commitment to social justice, *tikun olam*, respecting others, embracing diversity and reserving judgement were the Jewish values our parents taught us. They were so embedded in our daily lives that we chose careers in education, dedicating our lives to teaching children, both our students and our own kids, their importance.

Creating the Cutler Family Endowment supports our lifelong dedication to Judaism and the belief that the best weapon against hatred and intolerance is education. We believe that the Jewish Federation of Greater Orange County shares this belief and we are confident that our endowment will be used to promote the same values that we hold dear. At this time in our world, we cannot underestimate the hard work ahead of us all. With the increase of Anti-Semitic incidents occurring nationwide, our children and schools have not been immune to this growing problem.

It is our honor to be able to support and help facilitate the efforts of our Federation, local officials and school districts to handle incidents of Anti-Semitism through the lens of education, understanding, appreciation, and restitution.

We are proud and grateful to be able to partner with you.
