BUILDING JEWISH CALGARY TOGETHER

...THAT'S FEDERATION

TOGETHER,
we are shaping the future of Jewish Calgary. A future where Jewish life is vibrant, connected, and resilient.

A STRONG JEWISH COMMUNITY DOESN'T HAPPEN BY CHANCE.

It happens because people choose to build it.

We are investing in the next chapter of Jewish life:

- Ensuring every family can access meaningful Jewish education
- Strengthening the places where we gather, celebrate, learn, and belong
- Creating opportunities to live Jewishly with pride and confidence
- Standing stronger and more visible in the face of challenge

Because Jewish life is strongest when we live it together.

> **PJ Library®** helped our young family find our place in Jewish Calgary.

> As parents of an adult with different abilities, we are thrilled that our son has found an inclusive community through **Kesher**, where he is supported and celebrated.

> Because of **JAC**, I found people my age who I can connect with and now have built lifelong friendships.

A COMMUNITY BUILT BY PEOPLE. REAL STORIES. REAL IMPACT.

> After losing my spouse, community programs helped me stay connected.

> As a **Holocaust** survivor, sharing my story helps ensure future generations never forget.

> Because of **IBP**, my family could say yes to meaningful opportunities that have made a lasting difference in our lives.

OUR COMMUNITY NEEDS YOU.

Every generation has a responsibility to build on what came before.

The Calgary Jewish community we cherish today exists because others invested in its future.

NOW, IT'S OUR MOMENT.
