WE INVITE YOU TO BECOME A CORPORATE SPONSOR OF THE CHARLESTON JEWISH FEDERATION

Since 1947, CJF has been a leading philanthropic agency in the Lowcountry, providing connection, security, community and financial support for agencies and those in need here at home, Israel and around the world. CJF is supported by individuals that care about this mission and those with shared values.

The Charleston Jewish Federation (CJF) and its corporate sponsors are making a tangible difference in the lives of people in our community - people who are your clients and customers.

As a CJF corporate sponsor, your business will be recognized for its support, commitment, and investment in greater Charleston's strong and vibrant Jewish community. Your business can be rewarded with an expanded customer base and can have the satisfaction of knowing that your sponsorship is helping achieve the goals of the Charleston Jewish Federation, among which are:

- To stand up against hate, prejudice, discrimination, and antisemitism through such programs as the REMEMBER Program and the Jewish Community Relations Council;
- To foster Jewish connection and education through family initiatives such as the PJ Library book subscriptions;
- To provide programmatic incentives for teens and young adults to be engaged in Jewish life and leadership;
- To support lifesaving, humanitarian relief both here at home and around the world; and
- Sustain Charleston's Jewish community through support of all of our local synagogues, agencies and institutions.
