Lion of Judah

The Lion of Judah is a symbol of today's Jewish woman's strength and dedication to the organized Jewish world, and her financial commitment in her own name of at least \$5,000 to the CJF Annual Campaign.

Anita Zucker's Lion of Judah Challenge began in 2010 and has helped more than a dozen women step up to be recognized as a Lion of Judah in Charleston. Anita's Challenge is a three-year commitment to the Annual Campaign. Year 1 is a commitment of \$2,500, where Anita matches your contribution, making you a Lion. Year 2 is \$4,000, with Anita contributing \$1,000 and year 3 is a full commitment of \$5,000.

**The 2016 Lion of Judah chairs are
Elaine Tessler and Sandra Brett.**

.....

Pomegranate Society

The Pomegranate Society celebrates women contributing in her own name \$1,800 or more to the CJF Annual Campaign. The pomegranate is one of the oldest symbols found in Jewish art and ritual. Members of the Charleston Pomegranate Society join thousands of other committed women throughout North America and signifies a commitment to Jewish life.

**The 2016 Pomegranate Society chair is
Ilene Turbow.**
