PLANNING FOR A STRONG & SECURE FUTURE

This year has proven to be an exciting one, continuing to build on the successes of last year! We remain grateful and appreciative for the tremendous support in helping raise the funds that support our local, national and international partners, and our Federation programs and services. Our campaign raised another record total, \$5,037,250, thanks to our incredibly generous community members.

Federation continues to impact the community by focusing on those things that no individual institution can do on its own. Three examples stand out in 2019:

1) In light of the significant rise in antisemitism and the two attacks on synagogues in Pittsburgh and Poway, we have been leading the community on security initiatives to help protect and train our community. In partnership with the Secure Community Network (SCN), we are helping to secure our safe future.

2) Joining our community in August, 2019 will be four ShinShinim (young emissaries) from Israel. They will infuse our community with enthusiasm and a love of Israel. For the next 10 months, they will be working in our agencies, synagogues and public schools. We are thrilled to offer this program to our community.

3) In order to take the pulse of our community, we launched Every Voice Counts, a quantitative and qualitative study to understand current and future needs. This study will inform important community planning that will shape Jewish Rochester.

These new initiatives do not diminish the work we continue to do every day on your behalf through our various departments including the Levine Center to End Hate, CHAI (Center for Holocaust Awareness and Information), Community Relations (JCRC), Jewish Education & Engagement, Women's Philanthropy, Roc City Jews, our Partnership with Modi'in, development and so much more. Federation programs, coupled with the relationships we have developed with our partner agencies, ensure that we are making our community strong and safe for all.

Thank you for your continued support. We could not do what we do without you — our incredible community members.

TEENS & FAMILIES

HIGHLIGHTS

► CHALLENGE:

Youth and teens are bombarded with competing messages on a daily basis, from school to friends to social media and beyond. Engaging young people in creative Jewish experiences is a top priority.

► HOW WE HELP:

PEER LEADERSHIP FELLOWS

After significant research and communications with local partners, we signed on to pilot **Peer Leadership Fellows**, a national program that trains teens to be catalysts to connect their peers with Jewish life. Fellows are paid to build connections with unengaged Jewish teens, introducing them to the diverse menu of opportunities available in our community. Fellows learn cutting edge methods at a national training with other teens from across the country. They gather for local seminars that provide additional skill development, mentoring and community building.

G2 — THE GLOBAL INTERGENERATIONAL INITIATIVE A PROGRAM OF PARTNERSHIP2GETHER

G2 provides grandparents with the opportunity to play an active role in paving their grandchildren's Jewish journey.

Grandparents and grandchildren, ages 10-12, share specially designed activities and adventures in Rochester, culminating in a trip to Israel. There, they meet with other G2 pairs from around the country and connect with our Partnership2Gether community of Modi'in.

**FOR HIGH
HOLIDAY
SECURITY**

CHALLENGE:

Hate has been on the rise across the country and beyond — and Jewish communities must focus increased attention on security. The US Jewish community experienced near-historic levels of antisemitism in 2018, including a doubling of anti-semitic assaults and a total of 1,879 attacks against Jews and Jewish institutions. These included devastating attacks in Pittsburgh, PA and Poway, CA.

HOW WE HELP:

- Our Federation is a member of the Secure Community Network (SCN), exclusively dedicated to homeland security initiatives on behalf of the American Jewish community. SCN monitors hate and advises and trains us on best practices.
- We work closely with local law enforcement to maintain communication and a state of alert.
- We convene area school superintendents annually to address Jewish community concerns.
- We bring together regional legislators to advocate on behalf of our community.
- We mobilize community resources and lead communications in the event of threatening incidents.

kept vigil at Temple B'rith Kodesh in solidarity with the Tree of Life — Or L'Simcha Congregation in Pittsburgh after the massacre there in October of 2018. The Federation played a leading role in organizing the service, in collaboration with the Rochester Board of Rabbis.

► CHALLENGE:

How to unite Greater Rochester behind the very clear and powerful imperative to end hate

► HOW WE HELP (YEAR ONE):

ENGAGING YOUTH

Through school- and youth-based partnerships, the Levine Center to End Hate is engaging today's young people to become tomorrow's leaders, with the goal of meeting youth where they are. We are working together to build understanding based on compassion and mutual respect.

Next Steps:

The Levine Center has partnered with RISE, the Ross Initiative in Sports for Equality, for the 2019-2020 year to bring youth leadership programs to Rochester area schools. Active in over 30 states, RISE equips athletes, students, coaches and administrators at all levels with the tools to address matters of racism, prejudice and intolerance.

In August, 18 coaches and athletic directors from seven local urban and suburban high schools attended a day-long training on the RISE curriculum for the fall season. Over a dozen high schools signed up to participate in the program in the winter and spring seasons.

UNITING COMMUNITY

Working with local groups across Greater Rochester, the Levine Center is amplifying efforts to combat intolerance and prejudice through programming that explores differences. Our work activates collaborative responses to hate in all forms.

Next Steps:

Kicking off efforts to address hate through positive, outcomes-driven dialogue, the Levine Center brings Arno Michaelis and Pardeep Kaleka to Rochester in November, 2019. Arno, a former white supremacist, and Pardeep, a Sikh community leader, are co-authors of *The Gift of Our Wounds: A Sikh and Former White Supremacist Find Forgiveness After Hate* and co-founders of Serve2Unite, an anti-hate educational organization.

To address fall-out in the wake of adverse events, the Levine Center to End Hate is leading a rapid response effort to express solidarity with targeted groups and bring people with diverse views together to engage with one another respectfully.

LEVINE CENTER TO END HATE

The Levine Center to End Hate was established at the Jewish Federation of Greater Rochester in the fall of 2018 with a generous **\$1 MILLION GIFT** from the William and Mildred Levine Foundation.

WHY DO WE HATE?

The Levine Center to End Hate will host community-wide conversations on the topic "Why Do We Hate?"

of diverse faiths, races and ages stood outside the Islamic Center of Rochester with messages of hope and solidarity on March 17, 2019, two days after the deadly shootings at mosques in Christchurch, New Zealand.

ISRAEL IMPACTS

► CHALLENGE:

Bridging the growing divide between Jews in the diaspora and Jews in Israel is crucial to ensuring our strong future. At the Federation, our goal is to find the most effective, cutting-edge means of supporting pluralism at home and across the sea.

HOW WE HELP:

► PARTNERSHIP2GETHER WITH MODI'IN, ISRAEL

JOURNEY FOR IDENTITY (JFI)

JFI 8 concluded in August 2019. As usual, it was extraordinary. Almost 100 teens, from Rochester and Modi'in, have now traveled together from Rochester to Poland and Israel, exploring American Jewish life, the Holocaust's painful legacy and modern Israel. They become part of each other's families and make friends for life.

RAMIM, partnering mid-career adults from Rochester and Modi'in in a life changing exchange of Jewish knowledge, values and experiences, is another means of making compelling connections with Israel. We completed the fourth cycle of this program in 2018-19 (see the full group, right). According to one grateful graduate, "Ramim provides an incredible opportunity to reconnect and remind us that we can form beautiful relationships with the entire spectrum of Jewish expression if we are given the right time and setting. Ramim is an incredible blessing in the Rochester community."

SHINSHINIM (a Hebrew acronym for Shnat Sherut or "year of service") are the best and brightest of Israel's recent high school graduates who defer army service for one year to become Israel emissaries in Jewish communities around the world. With support from the William & Sheila Konar Foundation, we have embarked on this very exciting program: our ShinShinim arrive in August, 2019.

THROUGH THE EDUCATION BRIDGE

of Partnership2Gether, an ever-expanding cohort of public schools and religious schools in Rochester have meaningful connections with students and teachers in Modi'in.

► **CHALLENGE:**

Israel has a unique history, and distinct challenges, that impact diverse expressions of Judaism. Israeli citizens, along with North American Jews, are committed to adopting a full range of legally endorsed marriage options.

► **HOW WE HELP:**

 — **\$50,000**

The Rochester Federation is committed to the mission of the Israel Religious Expression Platform (iRep): to effect meaningful change in issues relating to increased religious diversity in Israel. iRep strives to strengthen Israel's civil society and to advance the cause of pluralism in the religion-state status quo.

► **CHALLENGE:**

The rescue of Jews from Ethiopia in recent decades has greatly enhanced Israel's cultural melting pot. Special attention is required to assist Ethiopian Israelis in adapting successfully to a vastly different way of life.

► **HOW WE HELP:**

 — **\$25,000**

We help advance the integration of Ethiopian Israelis with our commitment to SPACE (School Performance and Community Empowerment), providing supplementary support to improve student achievements.

OVERSEAS HIGHLIGHTS

ELECTIVE FUNDING

CHALLENGE:

The former Soviet Union is home to the poorest Jews in the world; even retired doctors, teachers and engineers are struggling to live on pensions as low as \$2 per day.

HOW WE HELP:

 — **\$120,000**

Rochester Federation donors fund JDC to help provide lifesaving food, medicine, home care and heat to nearly 100,000 elderly Jews across 11 time zones.

CHALLENGE:

Creating meaningful connections between American Jews and Israelis requires a commitment to creative, person-to-person exchanges.

HOW WE HELP:

 — **\$175,000**

The Rochester Federation has developed a people-to-people relationship with Modi'in, in collaboration with the Jewish Agency for Israel, that connects residents of all ages – students, professionals, teens and families – in ways that greatly expand our mutual understanding and personal connection.

EVERY VOICE COUNTS

JEWISH ROCHESTER'S 2019 REGIONAL SURVEY

On June 18, 2019, we embarked on **EVERY VOICE COUNTS**, a comprehensive online survey of the Greater Rochester Jewish community. This major Federation initiative, undertaken once a decade, is fundamental to our community's growth and future. This year, we also reached out to employees and members of our partner agencies, Jewish and non-Jewish.

WE COVERED 8 COUNTIES

in our region, asking leaders what they need to learn from – and about – our Jewish community

WE MET WITH 30

Jewish agencies, organizations, synagogues and schools

NEXT,

thanks to a grant from the William & Sheila Konar Foundation, the Federation is partnering with the Center for Learning and Leadership (CLAL) to make maximal use of the information we receive in planning for our community's successful future.

We are grateful to the Max and Marian Farash Charitable Foundation for underwriting Every Voice Counts.

HISTORIC GOAL ACHIEVED: \$5,037,250 RAISED IN 2019

We thank each and every donor for making our collective commitment to a secure Jewish future so successful. We acknowledge below all donors of \$25 or more.

THE FOUNDATION OF THE JEWISH FEDERATION OF GREATER ROCHESTER

helps individuals and families with philanthropic dreams to build a healthy, vibrant future in Rochester, Israel and throughout the country. Through The Foundation, with assets of approximately \$46 MILLION, donors continue the sacred work of repairing our world, providing millions of dollars each year to a vast array of causes that better the Jewish and general communities. The Foundation is about you and the causes you hold most dear.

The donors on these pages are making a difference today and leaving a legacy for future generations. We are deeply grateful. All of their names will be remembered as a blessing.

To find out how you can share your dreams and passions from generation to generation, please contact Amy Libenson at The Foundation, 585.241.8635.

We celebrated "13 Extraordinary Women," who each shared the secrets of their success (in three minutes or less) on May 22, 2019. The women, of diverse ages and lifestyles, were chosen on the basis of their impressive contributions to community - as volunteers, professionals and family members.
