There are two ways you can login to DonorCentral. First, you can login directly by using your email address and password if you already have a Blackbaud ID. And if you don't have a Blackbaud ID and you need to create one, then you can go ahead and click on the *Don't have a Blackbaud ID create a new one* link located at the bottom of the screen.

Do not use the *Sign in with Google* option.

Your email address must match the email address that was provided to the foundation in order for the login to authenticate.
