Caring Through Generosity Golf for a Cause – Support Benevolent Care

With the help of individuals like you, the Campus exists in part today, through the generosity of its many friends. Generosity from the community helps assure that our residents receive the quality care and services they need, regardless of reimbursements provided by federal and state insurance and assistance programs.

Proceeds for this year's tournament benefit **Benevolent Care**. Benevolent Care is our promise that residents who outlive their financial resources or who cannot otherwise afford to live at The Campus, will remain in our care throughout their lifetime.

This Year's Tournament

The tournament will be played in a *scramble* format and is open to players of every skill level! Registrations will be accepted for foursomes as well as individual players where they will be assigned to a foursome.
