

Jewish Long Beach & Alpert JCC

Pickleball Rules

All pickleball play at the AJCC is designed to be welcoming and inclusive. Please always maintain appropriate and respectful conduct.

Only indoor balls may be used.

Open Play

The spirit of Open Play is that everyone gets to play with different players in a recreational and fun setting. The objective is to have people learn from playing with others at a variety of levels.

To begin:

- Place your paddle in the paddle saddle, stacking left to right.
- If there are eight (8) or more people waiting, play 4 on and 4 off.
- If there are 7 or fewer people waiting, play 2 on and 2 off. Winners stay and split to play with a new partner.
- If you have played two (2) consecutive games and there are players waiting, step off the court so others can play, and place your paddle back in the paddle saddle if you would like to continue playing.
