Jewish Community Foundation
OF GREATER LONG BEACH & WEST ORANGE COUNTY

Message to THE COMMUNITY

Each year we are honored to be able to recognize a group of caring and engaged leaders... leaders who give of themselves generously, and who care deeply about growing and sustaining a thriving Jewish Community which will carry on the chain of our tradition for generations to come.

This year the Robert Baldwin Community Service Award is bestowed upon Ava and Howard Weiss. A very deserving couple, the Weiss' have been very active throughout our community over a long period of years. They truly epitomize the spirit which Bob Baldwin wanted to perpetuate.

Ariela Laibson is this year's recipient of the Fred Neuburger Young Leadership Award. Having grown up here, Ariela, a graduate of the Alpert New Leaders Forum, and a current Lentzner Leadership Fellow, has been active in our community throughout her life, and most recently with Federation. She is a shining example of the type of emerging leaders our leadership training programs are developing for our community. Along with Ariela, we recognize 11 emerging leaders graduating from the Alpert New Leaders Forum program. We are excited about sending them back out into the community as they become active in our agencies and synagogues.

We are most excited to recognize and thank our outgoing Federation President Daryl Phillips. Daryl has given countless hours to further the work of the Federation and the Weinberg Jewish Federation Campus, to ensure that our efforts will continue from generation to generation - l'dor v'dor.

Thank you to all of our donors, supporters, volunteers, and agency partners for all you do to move our community from strength to strength. We could not succeed without you!

Community Leadership

We continue our tradition of engaging volunteers and empowering leaders to make bigger impacts in our community and in Federation.

Our leadership development programs include:

The Alpert New Leaders Forum: through the generosity of Barbara and Ray* Alpert, we offer a year-long leadership development series for emerging leaders of our local Jewish Community.

The Lentzner Leadership Fellows: through the generosity of Ann & Eugene Lentzner, this program provides in-depth training and mentoring for a select group of emerging Federation leaders. They attend Board meetings, are mentored by the best speakers and leaders in the area, attend the National Federations' General Assembly, and other training sessions.

Women's Philanthropy is inspired and guided by our tradition of tzedakah (righteousness/charity) and tikkun olam (repairing the world). We seek to provide significant opportunities for women to affirm their Jewish identity and spirituality, to be proactive in evolving issues of concern to women, to engage new leaders, and to inspire other Jewish women by our examples.

Harry & Jeanette Weinberg Jewish Federation Campus

Our Weinberg Jewish Federation Campus is a very special place, housing the Federation, Jewish Community Foundation, Alpert Jewish Community Center, Jewish Family and Children's Service, Long Beach Hillel, NCJW and Shul by the Shore. The Campus is a thriving center of Jewish life not only for these organizations, but also for the many other organizations who participate in community activities. Entering our 19th year of operations, the Campus is truly a magnet for families, children, and seniors.

As the Campus ages, Federation is working actively to rehab and ensure the facility's long-term viability.

Campus Operations Committee Chair **Judith Lentzner**

Roof & Solar System Project: This \$2 Million project was completed and dedicated on March 25, 2018. The project included the replacement of the roof from an allocation of \$500,000 from Federation reserves, \$350,000 from the solar campaign raised at the Legacy of Leadership event in January 2017, and the generous funding of \$1,150,000 from our investor. This investment will save millions of dollars in campus energy costs over the 25 year anticipated life of the system.

Long-Term Planning: With the assistance of AAA Companies, our facilities management firm, we continued to hone our 10 year plan for building rehab and upkeep. This plan will be the basis of our future capital campaign which will assist in garnering the additional \$5 Million needed to ensure the future of the facility.

Gymnasium Floor: Following a flood during heavy rains in January of 2017, we allocated \$220,000 to replace the entire gymnasium floor with beautiful new wood. The project also included sealing of the slab to prevent ongoing moisture from ruining the new floor.

Landscaping: Updated landscaping throughout the campus with new plantings and tree trimming.

Heating, Ventilation & Air Conditioning (HVAC): Replaced several of the 33 aging HVAC units which support the facility, spending over \$27,250 from Federation reserves.

Other improvements: Purchased a new lift, replaced worn ECE flooring, and made improvements to the ECE playground with a total of \$20,000 allocated from Federation reserves and nearly \$13,000 raised from generous donors.
