

JFNA has announced and launched a 500 million campaign for Israel. JFNA has already released 10 million to 20 organizations to aid Israel.

**Proposed Emergency Campaign for Israel**

Federation will launch an Emergency Campaign for Israel with a goal of 3 million dollars to aid: These are the most current and pressing needs:

- Urgent humanitarian needs: Food, shelter, medical care, evacuation services, temporary housing, trauma relief, psychological support, and security
- Immediate and direct financial assistance to terrorism victims through Jewish Agency for Israel's Victims of Terror Fund
- Medium and long-term needs: Rebuilding of homes and infrastructure and post-trauma care
