

JCP Proposed Motions

Approved at August 18, 2020

Board Meeting

Proposed Motion:

Due to the fact that COVID has made in person funeral attendance virtually impossible beyond the immediate family, and the technology limitations of Memphis area synagogues which prohibit consistent live streaming of funeral services, JCP combined boards approve urgent need grants of \$300 per funeral to be awarded to Memphis area synagogues to be used toward the total cost of \$575 to professionally live-stream a funeral.
