**Is Israel locked in a tragic dispute between two peoples claiming the same land – or a global conflict between Western democracy and Islamist terrorism? Is partition into two states the only way to ensure Israel's survival – or is it the surest path to ever-increasing bloodshed and possibly even endangering Israel's survival? Jonathan S. Tobin and J. J. Goldberg, will debate these and other critical issues concerning the State of Israel.**

**Jonathan S. Tobin argues that Israel stands on the front line of a global conflict between Islamist terrorism and Western democracy.**

**J.J. Goldberg contends that Israel could enter a regional alliance with moderate Sunni states, if it accepted the Saudi-led Arab Peace Initiative leading to a Palestinian state.**
