

Dear Parents,

It is our hope that families and individuals will never be denied participation in the Tampa JCCs & Federation (TJCCF) programs due to financial hardship. With this in mind, the TJCCF has continued to make scholarship funds available to those families and individuals in need. The amount of assistance varies based on the information provided in the financial assistance application and the amount of total funds TJCCF has available for scholarships.

In order to apply for financial assistance, the applicant must:

1. Have a child enrolled in a Preschool, Club J or Camp J program.
2. Be in compliance with any payment obligation. (Balances over 30 days are not considered in compliance.)
3. Volunteer in at least one fundraiser or event for the TJCCF during the scholarship period.
4. Turn in a completed application, with the required attachments by the required dates provided in the accompanying document.

The required documents to accompany the application are listed below:

1. Copy of the two most recent payroll slips for each family member, if applicable.
2. Proof of any additional income sources.
3. Copy of mortgage/rent statement; utility bills; medical expenses; car payments, etc. for each family member.
4. A letter explaining any expenses/losses of income that may not be reflected in the application or above documents.

During the evaluation process, you may be contacted by the scholarship committee to provide additional information. All information provided during the application process is confidential. Upon evaluating the application, the applicant will receive a determination letter.

If you have any questions, please contact Julie Cameron at 813-291-2256. Thank you very much for your ongoing interest and support of our programs.

Sincerely,

Mark Gesner, Ph.D.
