

20/20: enVISION the Future

Help us to continue to make a profound impact at the JCC Preschools today and for future generations of children.

How Your Contribution Works

Every donation will be matched 2 to 1 by an anonymous donor.

In other words a donation of \$50 becomes \$150.

Your contribution will assist with the following enhancements as well as others:

Painting

New outdoor equipment

New classroom furniture

Innovative educational materials

Fine Art Enhancements

To make a contribution today, please visit JCCohnCampus.com/Envision or contact Alissa Fischel at 813.769.4726 to discuss your contribution.

Thank you for helping us to enVISION the Future!
